COVID-19 VACCINATIONS

Phase 1B of the vaccine roll-out begins on Monday 22 March 2021. This phase of the vaccinations include people aged over 70, healthcare workers, Indigenous adults, adults with specified medical conditions and a range of critical workers including defence, police, fire and emergency workers and meat processors.

Bookings can be made online through the government's vaccine eligibility checker on the [health.gov.au](https://www.health.gov.au) website. A full list of WA vaccine providers is also attached for your information.

Please be aware that there may be some delay in receiving your vaccination due to supply issues. Please be patient with your GP while they work through this issue.

LIVING AT HOME FOR LONGER

If you receive services through DVA, you may also be eligible to receive services through My Aged Care such as through a Home Care Package (HCP). Home Care packages offer more complex coordinated care tailored and coordinated to support senior Australians (including veterans and widows/widowers) who want to keep living in their own home.

You may be able to access DVA-funded services while receiving a HCP as long as there is no duplication of the specific services/help provided. For example, you could access low-level domestic assistance and personal care through the DVA and receive community transport and gardening through the Home Care Package.

Under a Home Care Package, you may be able to take advantage of additional supports that cannot be provided under the Veterans Home Care Program or the

Community Nursing Program. This includes:

- fortnightly gardening
- weekly or fortnightly shopping support
- social outings of interest to you and your spouse/partner
- home modifications
- respite care for your spouse/partner

EASTER HOLIDAY COVER

Easter is upon us once again and the year is racing by. We will cover any domestic assistance, social support or shopping service in the following manner:

services that fall on Good Friday (2nd April) will be provided on the Monday (29th March), Tuesday (30th March), Wednesday (31st March) or Thursday (1st April) prior to the Friday holiday.

Services that are due on Easter Monday (5th April) will be provided in the week following the Monday (6th to 9th April)

Our admin staff have started working on the cover for these services and will contact you to negotiate a change of service day. If you are going to be away for any of the above days, please call us to let us know of your absence.

ANZAC DAY - LEST WE FORGET

Anzac Day marks the anniversary of the first major military action fought by Australian and New Zealand forces during WWI – the landing at Gallipoli on 25 April 1915.

Every year Australians gather together on Anzac Day to remember and commemorate all those, past and present, who have served or died in war and on operational service.

We are honoured to acknowledge this sacrifice in such a way that helps our country pass on the act and meaning of remembrance from generation to generation.

COVER FOR SERVICES DUE ON 26th APRIL

Anzac day falls on a Sunday this year which means the public holiday will be on Monday 26th April. All services due on this Monday (26 April) will be provided during that week from Tuesday 27th April to Friday 30th April.

FUNNIES FOR YOU

An elderly couple is worried that they are starting to forget simple things, so they go to a doctor for a checkup.

The doctor looks them over top to bottom but doesn't find anything. "It seems you two are perfectly fine so all that I can suggest is anytime you want to remember something, simply write it down".

The couple believe that's a great idea and so they go home with renewed confidence. Later that evening, the couple are watching television and he decides to grab a drink.

"Need anything my dear" he asks? "Could you grab me some ice cream. Here write it down" she tells him.

"No need my dear, ice cream coming up"! "Oh, and some chocolate sauce please. Want to write it down?"

"Ice cream with chocolate sauce, got it". "And a cherry dear" she asks "sure you don't want to write it down?"

"Ice cream with chocolate sauce and a cherry. I've got it, Hun".

The elderly man is gone for 10 minutes and the woman begins to worry. He comes back with scrambled eggs, bacon and orange juice. The woman looks at the food and says

"Oh dear, you forgot the toast"
